EPISODE 12.

DYNAMITE TRAIL

Picking up lap-over, the Boat sinks from underneath Tarzan and Jane. Tarzan rescues Jane and struggles to keep her afloat until they are rescued by the Seamen sent from the American Steamer, and taken aboard their steamer.

Rokoff discovers that Tarzan and Jane have escaped and are safe on board the American steamer, and calls to his wireless operator

to send a message to the American ship demanding Tarzan and Jane. The captain of the American ship laughs at his demands, and tells him if he wants them, to go to N.Y. to get them, Rokoff then gets a dunning idea and sends a wireless to one of his confederates in N.Y.

On arriving in N.Y., Rokoff with forged cablegrams hastens with his confederates to rob the Porter home. Rokoff hides on the outside, while his American aides, who have convinced the Porter family lawyer, that their telegrams are legitimate, enter and proceed to remove the furniture and valuables.

Jane and Tarzan arrive in a cab, at Jane's home. Jane thinks her father must have been saved from the sea, and runs hurriedly into the house, Tarzan after her, when she is greet by the lawyer who explains conditions to her.

The confederates rush out of the house and over to Rokoff, who orders them to quickly leave.

Tarzan, the lawyer and cab driver start after the Confederates. Jane is left in the house.

Rokoff, from his hiding place has seen Jane left alone in the house with only the caretaker, quickly enters, and makes Jane his prisoner, places her in his machine and speeds away to the Nihilist's headquarters, of which he one of the chief members. The Mysterious Stranger and the Ape have been made prisoners by Rokoff and his gang, and have been placed in the Nihilist's headquarters. The Ape makes his escape through a window, and starts roaming the streets, until Tarzan sees him. The Ape takes Tarzan to the exterior of the Nihilist's headquarters, and tells him that is where the Stanger is being held a prisoner.

Rokoff looking out of the window sees Tarzan and the Ape. Rokoff turns to the Frenchman and tells him to bring one of the female members of the gang, who is about Jane's size, and some bombs, which he does. He instructs the girl to yell and put up a fight as if she were afraid of him, when they enter the automobile. They proceed to carry out the instructions, and the girl starts yelling and screaming, and the machine starts away.

Tarzan hears all this, and thinks it is Jane, when he jumps into the lawyer's car and starts in pursuit.

The car continue their breakneck speed through the city and into the park, a motorcycle policeman chasing them. As Tarzan's car comes on nearer to Rokoff's car, one of the Nihilist throws the bomb, which hits Tarzan's car, and it explodes as we cut the episode.
